Mathematics CI 161. Content Area Methods and Materials in Secondary Teaching. Prerequisites: CI 152 AND CI 159 or concurrent enrollment; admission to the Single Subject Credential Program or teaching experience.

Mathematics - Fresno State

The word "fractal" often has different connotations for laymen as opposed to mathematicians, where the layman is more likely to be familiar with fractal art than the mathematical concept. The mathematical concept is difficult to define formally, even for mathematicians, but key features can be understood with little mathematical background.

Fractal - Wikipedia

Indian mathematics emerged in the Indian subcontinent from 1200 BC until the end of the 18th century. In the classical period of Indian mathematics (400 AD to 1200 AD), important contributions were made by scholars like Aryabhata, Brahmagupta, Bhaskara II, and Varāhamihira. The decimal number system in use today was first recorded in Indian mathematics. ...

Classroom Select Contemporary Chair, 16 Inch Seat Height ...

For Muslim calligraphers, the act of writing – particularly the act of writing the Qur'an or any portion of it – was primarily a religious experience rather than an esthetic one. Most Westerners, on the other hand, can appreciate only the line, form, flow and shape of the words that appear before them. Nevertheless, many recognize that what they see is more than a display of skill with a ...

John Locke (1632—1704) John Locke was among the most famous philosophers and political theorists of the 17 th century. He is often regarded as the founder of a school of thought known as British Empiricism, and he made foundational contributions to modern theories of limited, liberal government.

Locke, John | Internet Encyclopedia of Philosophy

Aristotle: Politics. In his Nicomachean Ethics, Aristotle (384-322 B.C.E.) describes the happy life intended for man by nature as one lived in accordance with virtue, and, in his Politics, he describes the role that politics and the political community must play in bringing about the virtuous life in the citizenry. The Politics also provides analysis of the kinds of political community that ...
