Math has always been a great struggle for me. I'm taking college algebra this next semester and I'm very nervous. It's been years since I last took the pre-req for this class and I barely squeezed by with a C in it. My question is, where can I go to brush up on math skills before the semester starts. I have 3 more weeks and I'd like to find some free tools I can use to try and remember how to ...
