This list comprises widespread modern beliefs about English language usage that are documented by a reliable source to be misconceptions.. With no authoritative language academy, guidance on English language usage can come from many sources. This can create problems, as described by Reginald Close: Teachers and textbook writers often invent rules which their students and readers repeat and ...

Background. De-escalation is the recommended first-line response to potential violence and aggression in healthcare settings. Related scholarly activity has increased exponentially since the 1980s, but there is scant research about its efficacy and no guidance on what constitutes the gold standard for practice.

The OWASP Austin Study Group is intended to provide an organized gathering of like-minded IT professionals who want to learn more about application security. This is done through mini-discussions, demos, presentations, and series of meetings to cover more involved topics (i.e. book topics). Generally the topics will be participant-led, meaning that attendees will volunteer their time to ...

Immortality is eternal life, being exempt from death, unending existence. Some modern species may possess biological immortality.. Certain scientists, futurists, and philosophers have theorized about the immortality of the human body, with some suggesting that human immortality may be achievable in the first few decades of the 21st century. Other advocates believe that life extension is a more ...
