Left-hand traffic (LHT) and right-hand traffic (RHT) are the practice, in bidirectional traffic, of keeping to the left side or to the right side of the road, respectively. A fundamental element to traffic flow, it is sometimes referred to as the rule of the road.. RHT is used in 165 countries and territories, with the remaining 75 countries and territories using LHT.

Rated 4 out of 5 by Ken from The unit appears to be well built. The main... The unit appears to be well built. The main problem I had with the unit was the assembly instructions. The illustrations were not very clear, the bolts were not identified well and which bolts you should use for each connection was not clear.

The simple GUI way, as provided by J Y in a previous answer: Create a small file (not empty) Right-click, choose Properties; Check "Size on disk" (in tab General), double-check that your file size is less than half that so that it is certainly using a single allocation unit.

### **How can I view the allocation unit size of a NTFS ...**

Property, in the abstract, is what belongs to or with something, whether as an attribute or as a

component of said thing. In the context of this article, it is one or more components (rather than attributes), whether physical or incorporeal, of a person's estate; or so belonging to, as in being owned by, a person or jointly a group of people or a legal entity like a corporation or even a society.
