Agility refers to the quality of quickness or resourcefulness that can relate to your physical or mental abilities. Being agile is not a natural trait, so you've got every chance of improving your ability.

3 Ways to Improve Your Agility - wikiHow

One of the options we discussed in 'I have a root canal- now what do I do?' was to have the root canal tooth properly removed. If you have chosen to have your root canal removed, then this is the follow-up article for you. Of course, this article also applies to anyone who is missing teeth for whatever reason.
