The dustbin of business history is loaded with the victims of ill conceived mergers and acquisitions. But while there are no magical solutions or silver bullets that ensure success, a process that is co-designed from the beginning will make an M&A appear seamless and fluid, with a high degree of positive, engaged energy throughout the organization.

SEVEN STEPS TO MERGER EXCELLENCE - Ivey Business Journal

"The millennials," a wistful F. Scott Fitzgerald might have written today, "are different than you and me." Managers accustomed to using certain practices to engage boomers are going to have to change their ways - and practices - if they hope to engage and retain the newest heavily scrutinized employee cohort, the millennials.

E conomic theory has suffered in the past from a failure to state clearly its assumptions. Economists in building up a theory have often omitted to examine the foundations on which it was erected. This examination is, however, essential not only to prevent the misunderstanding and needless controversy which arise from a lack of knowledge of the assumptions on which a theory is based, but also ...
