NYSTCE Biology: Cell Cycle & Division - Videos & Lessons ...

Hi! I am relatively new to CST Studio Suite. I am using the Student Edition, which hugely limits the number of mesh cells allowed for a simulation. In time domain calculations, for example, it allows only 30,000 mesh cells. Unfortunately, this is a ridiculously low number of allowed mesh cells and barely any of my simulations can run due to this limit.

CST - How can I reduce the number of mesh cells in simulation?

Cell membrane questions If you're seeing this message, it means we're having trouble loading external resources on our website. If you're behind a web filter, please make sure that the domains *.kastatic.org and *.kasandbox.org are unblocked.
