Rated 3 out of 5 by HomeDesigner from Great design, looks nice, but faulty drain hole I love this sink and the design is perfect. It's easy to clean, installation was easy mounted under Silestone, and the size works well. The only problem with the design is that the drain hole is slightly lower in one spot, which means that the drain doesn't fit tightly and leaks.

BEST ANSWER: Bought these mats for a gym so if you are using them for cows/livestock my answer probably does not apply. For people use on a hard floor like cement, these are fine without any other preparation or adhesive. They can be moved as needed or if you are covering a finite floor space can be cut and fit together like tiles, again without any other preparation or adhesive.

Muse A is a single parent of a very young child, just getting back out there and dating because it’s terribly lonely sometimes. They’re out at a bar and meet Muse B, who’s got a reputation for being a heartbreaker. One thing leads to another and Muse A invites Muse B home for a one-night stand.. That morning, Muse B awakens to Muse A’s very small child sitting on their chest, asking if ...
