1. Introduction. Digital learning games have become a medium of reference in the education field over the past few years. Their popularity can chiefly be explained by the huge amount of leisure time that children and adolescents spend playing video games (Papastergiou, 2009a). However, the use of games to teach educational content inevitably raises the question of their compatibility with deep ...

Many times I've wanted (or needed) to know the font that was used in a specific kit. For example, here is a cool finger pointing sticker from Outdoor Dad by Brandy Murry. I really like the font she used on the finished stickers, but I wanted to use the same font to create a sticker of my own with the blank one she provided.
