In political science, a constitutional crisis is a problem or conflict in the function of a government that the political constitution or other fundamental governing law is perceived to be unable to resolve. There are several variations to this definition. For instance, one describes it as the crisis that arises out of the failure, or at least a strong risk of failure, of a constitution to ...

The power of Judicial Review is not granted to the Supreme Court by the Constitution. This power, per the tenth amendment, is therefore reserved to the States respectively, or to the people. The restoration of constitutional government depends on the states reclaiming this power from the federal government.

Increasing authoritarianism from elected governments is being experienced by citizens in the democratic nations of the western world. Many reasons are being given for the increase in authoritarian lawmaking and enforcement, from terrorism and climate change to food shortages and resistance to mass medication programs. All of these threats are grossly exaggerated but it seems governments of ...
