The war of the currents (sometimes called battle of the currents) was a series of events surrounding the introduction of competing electric power transmission systems in the late 1880s and early 1890s. It grew out of two lighting systems developed in the late 1870s and early 1880s; arc lamp street lighting running on high voltage alternating current (AC), and large scale low voltage direct ...

Magritte: Key to Dreams Understanding the Symbolism of Eggs in Dreams In coming across Michael Cornwall's excellent post about how Jung utilized emotion as a key in understanding the dream, I somehow got to wondering how Internet dream sites interpreted dreams of eggs.. In general, one has to be very careful of fixed interpretation of dream symbols.

The innovative PosiPatch uses a magnetic ring to hold it against the surface, so no adhesive is required. This means that the PosiPatch isn't destroyed when removed from the surface, unlike conventional patches. After rinsing with deionized water, the PosiPatch can be used again. The PosiPatch can be reused multiple times until water begins to leak through the air-permeable membrane or the ...

Community assessment: application to community/public health nursing practice. Assessment, the first step of the nursing process, forms the foundation for determining the client's health, regardless of whether the client is an individual, a family, or a community. Nurses gather information by using their senses, as well as their cognition, past experiences, and specific tools.
