31 editable task cards are included in this set, and can be used as stations around the room or in small groups. You can even pick and choose which ones you want to use for warm ups, bellringers, or exit tickets! Topics include the cell membrane, passive transport, osmosis, facilitated diffusion, ac...

Cell Transport Task Cards by Biology Roots | Teachers Pay ...

Credits: 1. Prerequisite: Middle school biology and chemistry. Recommended: 9th or 10th Test Prep: CLEP Biology This course covers the basic material for this exam, but this is considered a very hard test, and I would suspect more will need to be studied to learn everything required for this huge exam. It's worth the same as two college courses which is why it covers so much.
