Fundamental questions. The etymological origins of the term democracy hint at a number of urgent problems that go far beyond semantic issues. If a government of or by the people—a “popular” government—is to be established, at least five fundamental questions must be confronted at the outset, and two more are almost certain to be posed if the democracy continues to exist for long.

Islam: Contemporary figures for Islam are usually between 1 billion and 1.8 billion, with 1 billion being a figure frequently given in many comparative religion texts, probably because it's such a nice, round number. That figure appears to be dated, however. Relatively high birth rates in Muslim countries continue to make Islam a fast-growing religion.

(2) Although a longtime collector and curator of maps and atlases, I am a relative newcomer to Geography and Holocaust Research. Like many students I started with Martin Gilbert's Atlas of the Holocaust, because of its reliability and completeness. I show you a poignant example. This map locates the beginnings of 'the holocaust by bullits': Jews massacred between 22 June and 16 July 1941.
