The question-answer relationship (QAR) strategy helps students understand the different types of questions. By learning that the answers to some questions are "Right There" in the text, that some answers require a reader to "Think and Search," and that some answers can only be answered "On My Own," students recognize that they must first consider the question before developing

The Flags That Fly 24 Hours A Day. Historical Note: After the addition of the new House and Senate wings in the 1850s, even before the great dome was completed in 1863, photographs of the period show flags flying over each new wing and the central east and west fronts. The custom of flying the flags 24 hours a day over the east and west fronts was begun during World War 1.
