FMCG means Fast Moving Consumer Goods. This is a word for the type of products that a person is

working with in their specific job. CPG is another, and it stands for Consumer Packaged Goods.

How do you abbreviate the word consumer - answers.com

Credits: 1. Prerequisite: Middle school biology and chemistry. Recommended: 9th or 10th Test Prep: CLEP Biology This course covers the basic material for this exam, but this is considered a very hard test, and I would suspect more will need to be studied to learn everything required for this huge exam. It's worth the same as two college courses which is why it covers so much.
