About the Committee. The committee shall establish audit procedures that are sufficiently flexible for use in each Department, yet standardized enough to achieve uniformity, and provide Member Departments' alternative solutions for compliance with audit requirements that also meet their individual needs.

Transportation.org - The home of transportation professionals.

To decide to be an accountant is no more descriptive than deciding to be a doctor as there are a variety of specialty areas. Many accountants engage in the practice of public accounting, which involves providing audit, tax, and consulting services to the general public. To engage in the practice of public accounting usually requires one to be licensed.
