Education in South Korea is provided by both public schools and private schools. Both types of schools receive funding from the government, although the amount that the private schools receive is less than the amount of the state schools. In recent years, Incheon Global Campus (with start-up support) has kick-started, and Yonsei University opened an international college to embrace the full ...

I too have been insulted by the evolution faithful; "Creation? Are you stupid or what? Everyone knows evolution is a proven fact!" The real problem is not that evolution is or isn't proven but rather that many want it to be a fact, because the alternative to evolution is that there might be a God and that we will one day have to answer up to Him.

Is the fossil record 'overwhelming evidence for evolution ...
