The Australian Taxation Office (ATO) is an Australian government statutory agency and the principal revenue collection body for the Australian government. The ATO has responsibility for administering the Australian federal taxation system, superannuation legislation, and other associated matters. Responsibility for the operations of the ATO are within the portfolio of the federal Treasurer.

Australian Taxation Office - Wikipedia

Optimal tax theory or the theory of optimal taxation is the study of designing and implementing a tax that maximises a social welfare function subject to economic constraints. The social welfare function used is typically a function of individuals' utilities, most commonly a utilitarian function, so the tax system is chosen to maximise the sum of individual utilities.

Optimal tax - Wikipedia

In the first edition of *Children Held Hostage*, Stanley Clawar and Brynne Rivlin used their groundbreaking study of 700 families to demonstrate that children could and were being used by parents in the divorce battle. Their research showed how negative actions by parents toward their children would show up in court proceedings where children testify or are questioned by mental health professionals.
