### **O'Dea, Kathleen / Earth Science Regents Review**

Regents Earth Science is a high school level course that upon passing the state examination in June will provide one high school credit. Work is assigned every night. Assignments are checked the following day at the beginning of class and students are held responsible and accountable for their work as would any other high school course while keeping in context that students are still in a ...

### **Regents Earth Science | Mrs. Yip-Chen's Science Headquarters**

A large body of air with the same characteristics of temperature and moisture content is known as an air mass. An air mass receives its characteristics from the location it forms, known as its source region. Fronts represent the advancing edge of the air mass at ground level. Only low pressure systems have fronts, due to air masses converging at the low pressure.
