There is a problem. A dramatic, elaborate, and dangerous (and sometimes, pretty darn cool) solution is proposed to solve it. It's the Only Way! Then some other jerk points out that a much simpler Mundane Solution exists that would probably be more effective.. Most often, it's a villain (usually of the Diabolical Mastermind or Evil Overlord variety) proposing the complicated scheme, and it is a ...

Not many people make divinity in the "old way" anymore and there's two primary reasons I believe. It's temperamental to make and it takes practice, neither one of which anybody is much willing to deal with today. Subsequently, most of us have turned to shortcut methods using the microwave, baking ...
