Love, Loss, and What I Wore is a play written by Nora and Delia Ephron based on the 1995 book of the same name by Ilene Beckerman. It is organized as a series of monologues and uses a rotating cast of five principal women. The subject matter of the monologues includes women's relationships and wardrobes and at times the interaction of the two, using the female wardrobe as a time capsule of a ...

In response to the question of what ecocriticism is or should be, Camilo Gomides has offered an operational definition that is both broad and discriminating: "The field of enquiry that analyzes and promotes works of art which raise moral questions about human interactions with nature, while also motivating audiences to live within a limit that will be binding over generations" (16).

Ecoliterature by Professor Julia Evergreen Keefer

BILL RYAN was a mathematician turned team-building and leadership consultant, who found himself propelled, very much by accident, into the fabled Serpo story in late 2005. A student of Ufology and the paranormal since childhood, he then met Kerry Cassidy, and the two formed Project Camelot. He worked closely with Kerry until 2010, and then went his own way to found Project Avalon.

CHAPTER 6 - Moving Into the Public World after winning the vote. Women have never argued that women's suffrage would reform the world. They claim that the ballot is a powerful weapon with which to combat social and industrial wrongs.

Women Working Together

"I am writing biography, not history, and the truth is that the most brilliant exploits often tell us nothing of the virtues or vices of the men who performed them, while on the other hand a chance remark or a joke may reveal far more of a man's character than the mere feat of winning battles in which thousands fall, or of marshalling great armies, or laying siege to cities."
