Corporate Finance Solutions Second Ed

A corporate identity or corporate image is the manner which a corporation, firm or business presents themselves to the public (such as customers and investors as well as employees).. Corporate identity is a primary goal of the corporate communications, for the purpose to maintain and build the identity to accord with and facilitate the corporate business objectives.

Corporate identity - Wikipedia

Corporate governance is the collection of mechanisms, processes and relations by which corporations are controlled and operated. Governance structures and principles identify the distribution of rights and responsibilities among different participants in the corporation (such as the board of directors, managers, shareholders, creditors, auditors, regulators, and other stakeholders) and include ...
