Campaign finance reform is the political effort in the United States to change the involvement of money in politics, primarily in political campaigns.. Although attempts to regulate campaign finance by legislation date back to 1867, the modern era of "campaign finance reform" in the United States begins with the passage of the Federal Election Campaign Act (FECA) of 1971 and, more importantly ...

In finance, an option is a contract which gives the buyer (the owner or holder of the option) the right, but not the obligation, to buy or sell an underlying asset or instrument at a specified strike

price prior to or on a specified date, depending on the form of the option. The strike price may be set by reference to the spot price (market price) of the underlying security or commodity on the ...
