WHAT IS A CRITICAL THINKING ESSAY? Many college assignments require you to support a thesis. The concept of a critical thinking essay is that you start without an end in mind. You don't necessarily know how you feel about a subject or what you want to say about the subject ... you allow the research and your own thinking to determine the outcome.

By Michelle LeBaron. July 2003 All communication is cultural -- it draws on ways we have learned to speak and give nonverbal messages. We do not always communicate the same way from day to day, since factors like context, individual personality, and mood interact with the variety of cultural influences we have internalized that influence our choices.

The Problem Few other subjects in school take the trouble to help students learn how to generate original ideas, designs, and composition. In art class, even though the ability to generate ideas is central to the process of art and central to the success of artists, many art teachers do not realize that idea generation can be intentionally taught.
