Sociological theory vs. social theory. Kenneth Allan proposed the distinction between sociological theory and social theory. In Allan's usage, sociological theory consists of abstract and testable propositions about society. It often heavily relies on the scientific method, which aims for objectivity, and attempts to avoid passing value judgments. In contrast, social theory, according to Allan ...

Sociological theory - Wikipedia

I develop curriculum for middle school math. I focus on using critical-thinking skills in my content so the math makes sense to the students.
