Calendar Updates. I post calendar updates frequently. I try to keep at least two weeks, and often much more, ahead of where we are at in the curriculum.

### **Chemistry Calendar - ScienceGeek.net Homepage**

Yes, this is a heated subject but I hope that the example from recent SPY data will convince you that there is no easy answer. The other day I wrote a blog with the intention of demonstrating that traders often attribute timing ability to models that in reality have none and a reason for this is the dividend effect. However, this turned into a heated discussion about adjusted vs. unadjusted ...
