Abstract. Access to general schools for people with disabilities is an advance in the history of education. However, barriers to learning and participation hinder the school routine of inclusive students, hence the need for resources - human, tangible, political etc. - from the schools and their communities.

Barriers and resources to learning and participation of ...

Project Lead The Way provides transformative learning experiences for PreK-12 students and teachers across the U.S. We create an engaging, hands-on classroom environment and empower students to develop in-demand knowledge and skills they need to thrive. We also provide teachers with the training, resources, and support they need to engage students in real-world learning.

Text mining is an emerging topic that advances the review of academic literature. This paper presents a preliminary study on how to review solar irradiance and photovoltaic (PV) power forecasting (both topics combined as "solar forecasting" for short) using text mining, which serves as the first part of a forthcoming series of text mining applications in solar forecasting.

History and trends in solar irradiance and PV power ...

This session is designed to provide teachers with specific assessment strategies to support lesson planning that is aligned to the rigor of the TEKS Readiness and Supporting Standards and the EOC.
