Page 1 of 44 CHAPTER II REVIEW OF LITERATURE Introduction The review of the literature for this study focuses on education and its role in shaping the future of students in K to 12 Curriculum in response to global competitiveness particularly in ASEAN Economic Community by 2015.

### **CHAPTER II REVIEW OF LITERATURE Introduction**

The Standard Model of particle physics is the theory describing three of the four known fundamental forces (the electromagnetic, weak, and strong interactions, and not including the gravitational force) in the universe, as well as classifying all known elementary particles. It was developed in stages throughout the latter half of the 20th century, through the work of many scientists around the ...

Causality (also referred to as causation, or cause and effect) is efficacy, by which one process or state, a cause, contributes to the production of another process or state, an effect, where the cause is partly responsible for the effect, and the effect is partly dependent on the cause. In general, a process has many causes, which are also said to be causal factors for it, and all lie in its ...
