The title of this book, 9/11 Contradictions, refers entirely to internal contradictions within the public story about 9/11. The book deals, in other words, with issues on which one person, agency, institution, or official body that has helped articulate the public story about 9/11 has contradicted another such person, agency, institution, or official body.

Dane Wigington GeoengineeringWatch.org. As the saying goes, sometimes it must get worse before it gets better. We would do well to consider this premise as climate intervention operations accelerate and the horizon continues to grow darker. Truth-tellers are marginalized by the power structure controlled mainstream media and punished by official agencies, while criminal insiders go free.
