Crossing the River with Dogs Solution Step by Step.

Crossing the River with Dogs Solution

Five family members and their five dogs (each family member owned one of the dogs) were hiking when they encountered a river to cross. They rented a boat that could hold three living things: people or dogs. Unfortunately, the dogs were tempermental. Each was comfortable only with its owner and could not be near another person, not even momentarily, unless its owner was present.

The national touring company Spice on Ice visited Seattle, Washington, last year. The producers held a special promotional ticket sale for one hour. During this time, adult tickets sold for \$5, junior tickets (ages 9-17) sold for \$2, and children's tickets (ages 0-8) sold for the ridiculously low price of \$0.10. During this sale, 120 tickets sold for exactly \$120.

Crossing the river with dogs Chapter 8, number 3. Spice on ...

2. THE DOG, THE GOOSE, AND THE CORN There are two solutions, which are virtually identical: He must take the goose across first, leave it, and go back for the corn He then takes the goose back to the first side, leaving it and taking the dog across. He leaves the dog with the corn and returns across the river to retrieve the goose.
