This website attempts to provide the interested reader or research student with a general overview of the biology of the sasquatch to the same degree that one would expect from, say, a bear website. I have tried very hard to provide plausible solutions to the prevailing tendency of journalists to treat the North American sasquatch or bigfoot as a near surreal phenomenon.

Article 1. Whether charity is friendship? Objection 1. It would seem that charity is not friendship. For nothing is so appropriate to friendship as to dwell with one's friend, according to the Philosopher (Ethic. viii, 5). Now charity is of man towards God and the angels, "whose dwelling [Douay ...
