Critical Thinking teaches students to think logically, present well-developed arguments, and see through unsupported arguments. Book One helps students develop the fundamentals of logic, argumentation, and critical reading.

Critical Thinking, Book 1: Problem Solving, Reasoning ...

This was particularly helpful when we got a problem wrong. We were able to study the answer and see what clues we had overlooked. We really enjoyed working through the Critical Thinking Detective Book 1. One of the great things about this book is that it makes kids think without the structure of traditional core curriculum lessons.
