Buddhism in the West (or more narrowly Western Buddhism) broadly encompasses the knowledge and practice of Buddhism outside of Asia in the Western world. Occasional intersections between Western civilization and the Buddhist world have been occurring for thousands of years. The first Westerners to become Buddhists were Greeks who settled in Bactria and India during the Hellenistic

period.

Inflation is a sustained increase in the general price level of goods and services in an economy over a period of time. When the general price level rises, each unit of currency buys fewer goods and services; consequently, inflation reflects a reduction in the purchasing power per unit of money – a loss of real value in the medium of exchange and unit of account within the economy.
