One of the primary goals of this Java book is to prepare students for the AP test. Another is to prepare for competition...and in the process, learn Java. Over the years, I have seen such competition make a significant difference in the lives of many students. If a teacher is not gentle in this approach to competition you can easily "burn-out" students....especially if you continually bombard ...

A. We believe it is important to choose a school of higher learning based on the quality of education you will receive. Your decision should not be based simply on how much advertising a school does, how old the founder may be, or how many thousands of graduates have been processed through the program.

Common Questions - Metaphysics College - ICMT

One of the reasons that instructors tend to overemphasize "coverage" over "engaged thinking" is that they do not fully appreciate the role of questions in teaching content. Consequently, they assume that answers can be taught separate from questions. Indeed, so buried are questions in ...
