Solutions manuals and instructor resources Some of our textbooks have accompanying instructor resources. These solution manuals are placed on the textbook's product page in the "Read this book on SpringerLink" section, just below the Table of Contents. These materials are only distributed to instructors in conjunction with an adoption.

Solution Manuals - Springer

There are two kinds of solutions manuals: The student's solutions manual and the instructor's solutions manual. The student's solutions manual contains only a few worked examples (not even half of odd numbered questions are answered) and the challenging problems do not have a worked solution at all, while the instructor's manual has the solution to every worked problem, including the challenging ones.
