We developed the TEKS Companion Guide series for Grades 3-8 and Algebra 1. Mini-lessons focus on the TEKS for that grade level or course and include a set of practice problems designed around a compact instructional plan with three components. The Tell Me More section contains a brief summary of the key ideas, concepts, and skills that are addressed in the target TEKS for that mini-lesson.

Science curriculum doesn't have to be expensive. A good portion of what we've used for science over the years has been free resources! I remember science being incredibly dry and boring in school and I want my children's science experience to be anything but boring. Because of that, I seek out resources that offer learning through living books and lots and lots of experiments.
