Off the top of my head the first and best example I can think of that demonstrates mass false memory is the classic social psychology study done in 1954. Princeton and Dartmouth played particularly rough football game in 1951 and then four years later students at both schools were shown a film of the game.

Can groups of people "remember" something that didn't ...

Sometimes they'll keep the clothing, the strips of shirt or trousers that weren't cut away and discarded by the doctors and nurses. They'll tell and retell their story at family gatherings and online, sharing pictures and news reports of survivals like their own or far bigger tragedies.
