Developing Skills Paper 3 Set

This 5-minute video explores the development and use of core capabilities — known as executive function and self-regulation skills — from early childhood into adolescence and adulthood.

Center on the Developing Child at Harvard University

A developing country (or a low and middle income country (LMIC), less developed country, less economically developed country (LEDC), or underdeveloped country) is a country with a less developed industrial base and a low Human Development Index (HDI) relative to other countries. However, this definition is not universally agreed upon. There is also no clear agreement on which countries fit ...

Here is a collection of 40 fine motor skills activities for young children that are easy to set up and promote a whole range of skills. They're creative, open-ended, appropriate and varied with ideas for practising motor skills through art, sensory play and simple manipulative games, and there are so many to choose from!

40 Fine Motor Skills Activities - The Imagination Tree

Abstract. Through our experience working with project teams in many industries on hundreds of projects, we recognize that although Project Managers and project teams may understand the theory and value of developing a Project Scope Statement, many do not have viable tools, techniques or processes for creating a one.

Developing a complete project scope statement in 2 days

Skills management is the practice of understanding, developing and deploying people and their skills. Well-implemented skills management should identify the skills that job roles require, the skills of individual employees, and any gap between the two.

Abstract. Executives today are interested in developing a best practice around project management within their organizations. Some of this interest stems from the economy and the need to do more

with less—reduced timelines to get a product/service to market to increase revenue, smaller budgets to get projects completed, and reduced project management staff due to layoffs and/or restructuring.
