Proposal Worksheet Proposal for a curriculum-based school garden at ____ (school name) In your proposal you need to show how the school garden will be the milieu where a variety of content standards will be taught in science as well as

Proposal Worksheet - School Garden Wizard

R f values are calculated by looking at the distance each component travels on the chromatography paper compared to the distance traveled by the solvent front. This ratio will be different for each component due to its unique chemical properties. When measuring the distance the component traveled, you should measure from the origin (where the middle of the spot originally was) and then to the ...

Most curricular materials in TeachEngineering are hierarchically organized; i.e., most hands-on activities are part of lessons, lessons are grouped into multiday curricular units and these again are bundled into subject areas. Some activities or lessons, however, were developed to stand alone, and hence, they might not conform to this strict hierarchy.
