Globalization Institute. The Federal Reserve Bank of Dallas established the Globalization Institute in 2007 for the purpose of better understanding how the process of deepening economic integration between the countries of the world, or globalization, alters the environment in which U.S. monetary policy decisions are made.

Globalization Institute Working Papers - Dallasfed.org

Student online book exchange results page. The primary focus of this text is to empower management students with statistical decision-making skills so that they become active participants rather than passive observers in business situations in which statistical findings are reported and discussed as part of a management decision-making process.
