Now available to stream on-demand. Executive produced by news legend Dan Rather, FAIL STATE investigates the dark side of American higher education, chronicling the decades of policy decisions in Washington, D.C. that have given rise to a powerful and highly-predatory for-profit college industry. W

Watch Fail State Documentary on American Higher Education

I’m a bit late to the party for watching the 2014 documentary The Ivory Tower, on higher education, but the documentary itself is only becoming more and more relevant. As a fourth-year student getting ready for the transition from post-secondary education to the “real world”, it’s no news for me to hear about rising tuition costs or the pre-graduation anxiety felt over whether what we ...
