I found that CBD and ketosis together worked synergistically coming from personal experience. There are always mixtures of things that when combined, create something stronger than if those two things were separate. CBD and the ketogenic diet is like peanut butter and jelly (no toast of course! maybe low-carb?), they're just not the same when eaten [...]

CBD and Ketosis: Made For Each Other?

The Journal of Nutrition published a recent study that used a randomized controlled trial to assess whether drinking hibiscus tea could reduce blood pressure in mildly hypertensive or pre-hypertensive adults. In this study, fewer than 100 participants were instructed to continue with their normal diet for six weeks. In addition, the participants were divided into two randomized groups.
