In a blog post entitled "When Christianity Was in Charge, This Is What We Got", Seidensticker made it very clear how disgusted he was with those stupid medieval Christians who created the Hereford Map. For people like Seidensticker, history is divided into "good" and "bad" periods. The "good" ones are where we seem to find elements that we moderns like or approve of, like ...

INTRODUCTION by Edward Waterman. Presented here in its entirety is Don Herron's famous essay, "The Dark Barbarian." This essay first appeared in the book of the same name, The Dark Barbarian, and was first published in 1984. This book, and the excellent essays within, were the first to take Robert E. Howard and his work seriously and to consider Robert E. Howard a major literary figure.

The Hobbit was the first real novel I read as a kid and ever since I've been on a steady reader's diet of magic and adventure. Which is why a list of essential fantasy series makes perfect sense as my first official reading list. The series I chose are a combination of well-known and established "fantasy pillars" and exciting new additions to the genre.

Page builders are everywhere and new ones are popping up every month. I have always had a strong dislike for page builder plugins as they frequently cause compatibility problems with other plugins. To ensure I wasn't unjustly biased, I decided to review as many page builders as I could manage to determine if they are really all that bad.
