I am now a grandma of 5 from three children of my own. If I could go back I would work much harder at discovering who my children were created to be and focus on their gifts by sharpening them as opposed to conforming them into who I wanted them to be and working on them being well rounded people knowing just a little of everything and squelching their passion of life to the full by expecting ...

A grey area in my firm. Rough guidelines are - when a machine is surplus to requirements i remove it straight away from AD. If the machine is going back into our 'pool' of holding machines, I move the machine into an OU named 'spare', and amend the description field with 'spare' , or if allocating to another user put the users name in description field and move to the departmental OU.
